

Safari Users,

Please note that because of a recent feature added to Safari for the Mac, iPhones and iPads, if you have the option "prevent cross-site tracking" turned on, you cannot use Safari to register for a program or renew your membership.

We have contacted our software provider for a fix to this issue. Until then, please use a different browser (Chrome, Firefox, Internet Explorer, Edge, etc).

If you prefer, you can send a check or money order via USPS mail and we will register you manually.

Send check or money order to:

**League of Vermont Writers
PO Box 398
Rochester, VT 05767**
